WISANDA '81

*We've only just begun
to live*

a kiss for luck

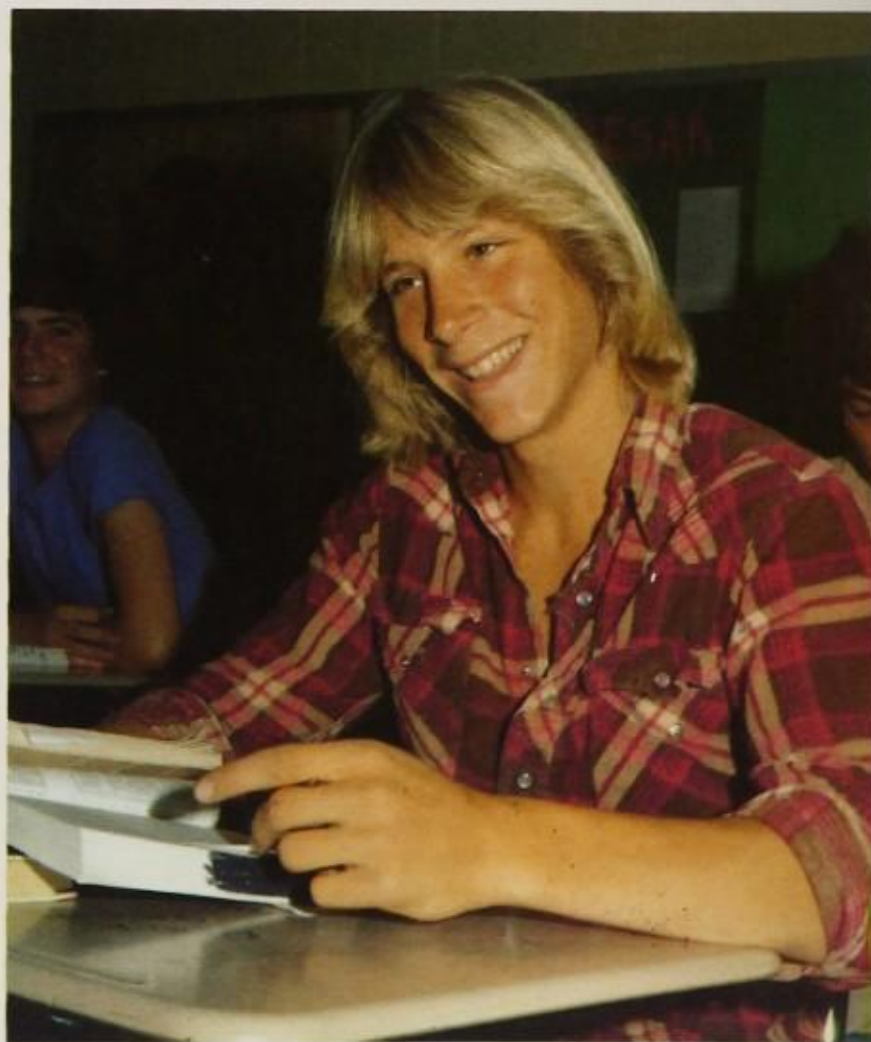

and we're on our way

Before the rising sun

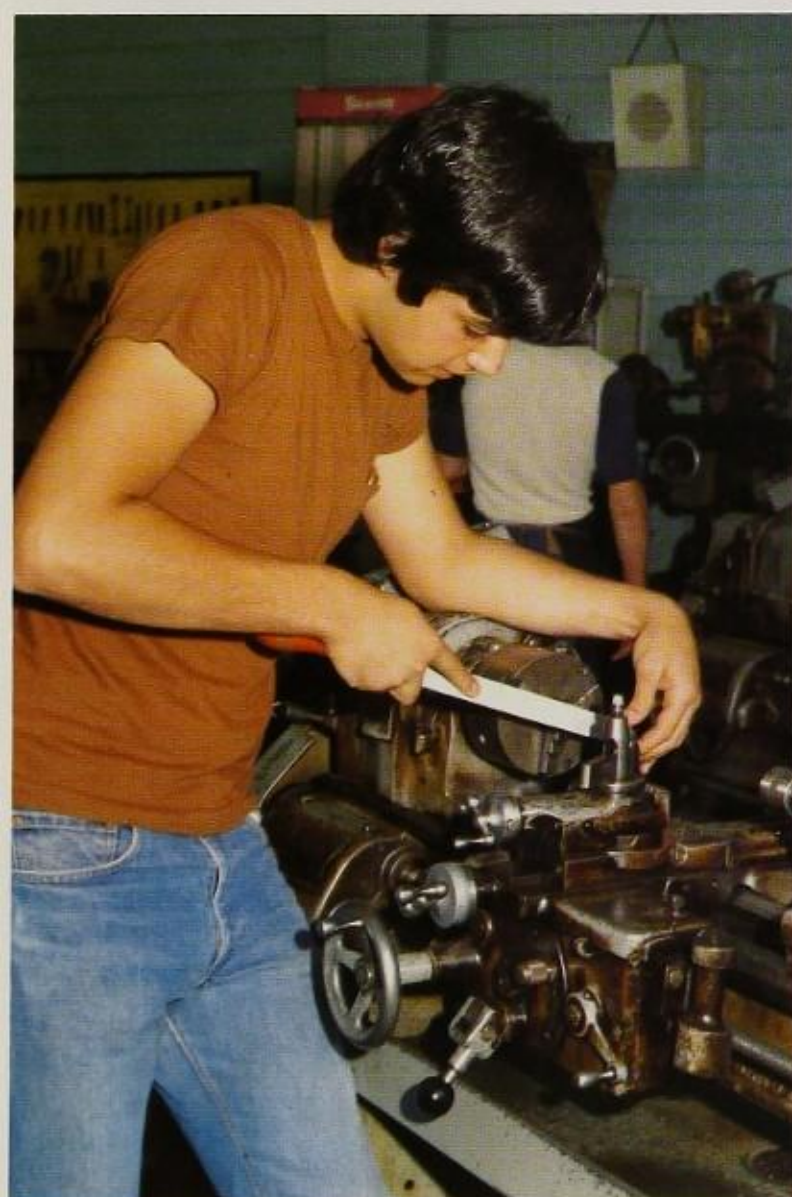

we fly

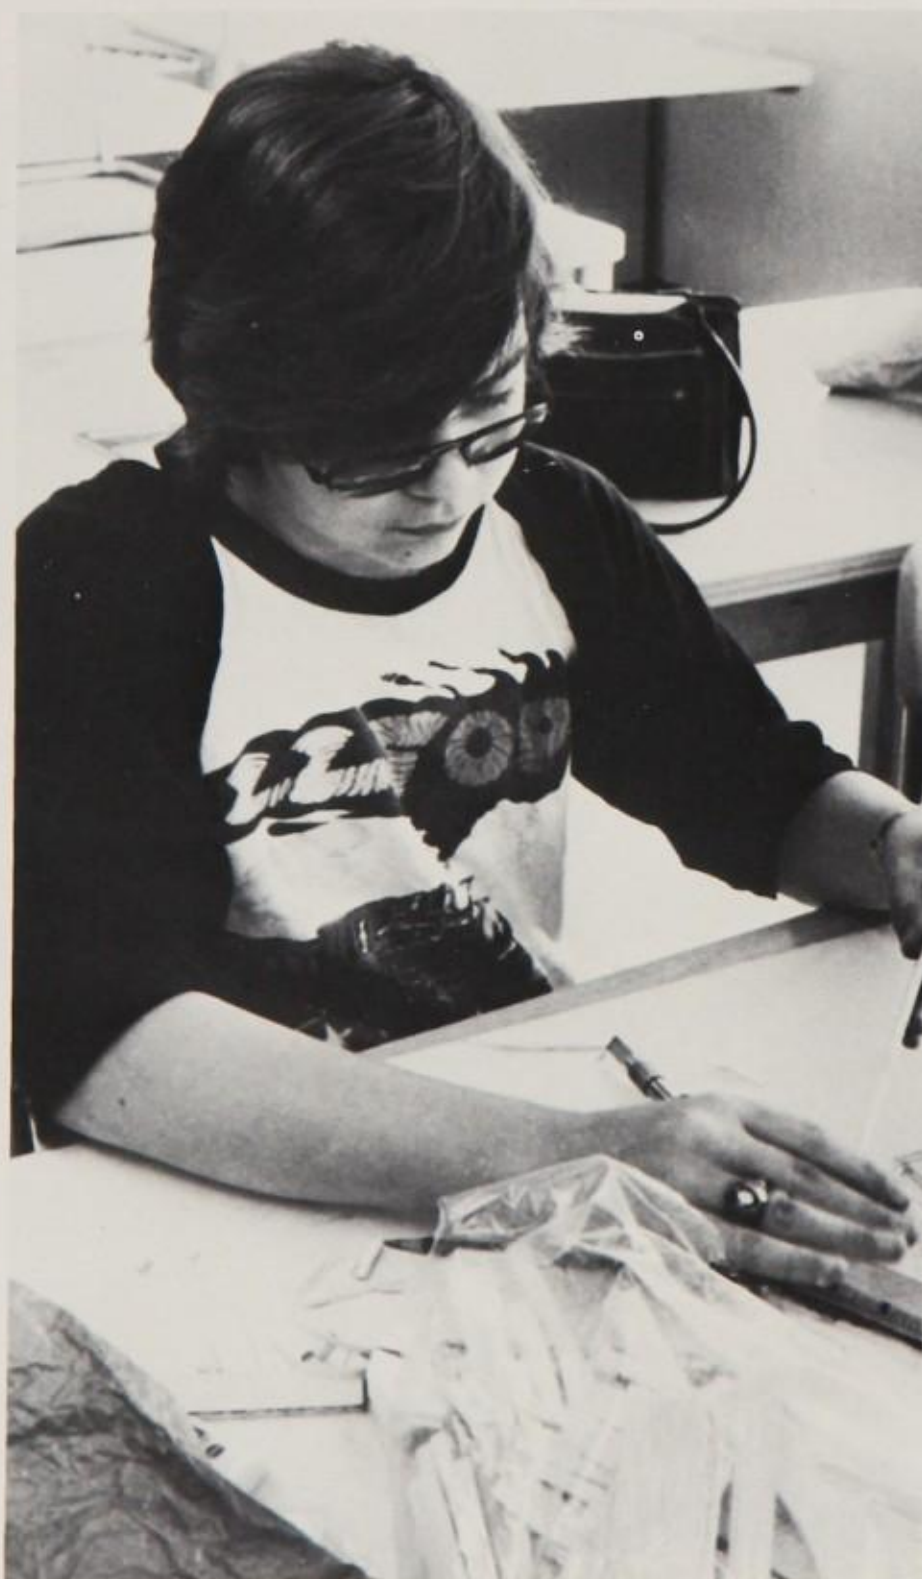

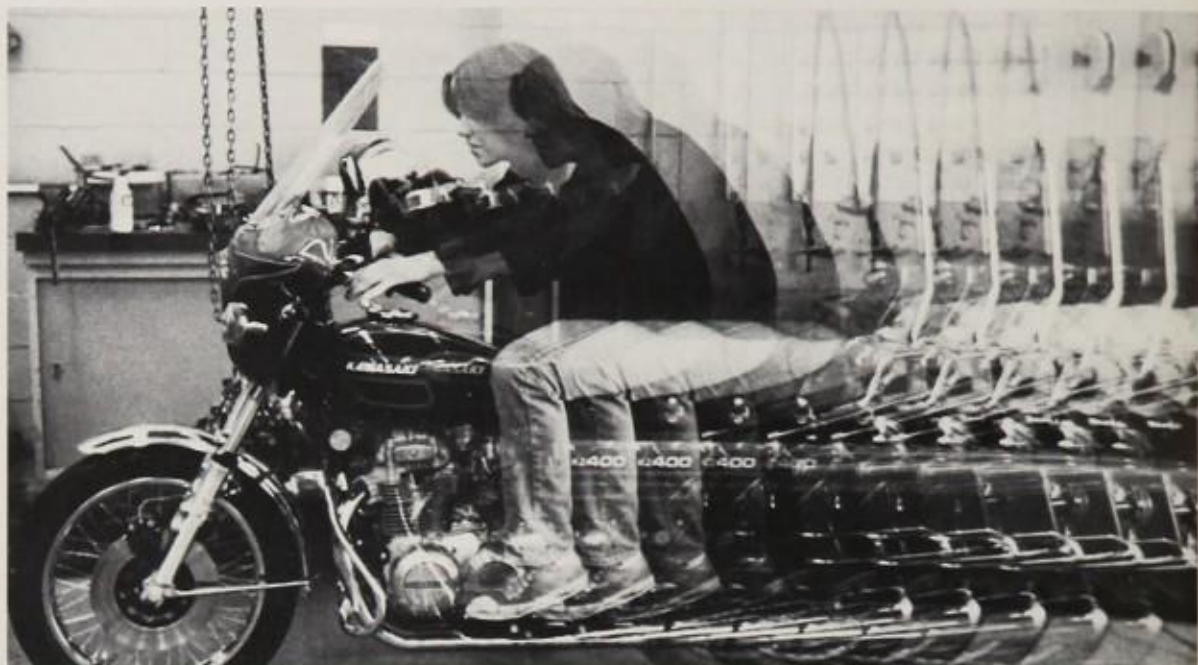

So many roads to choose

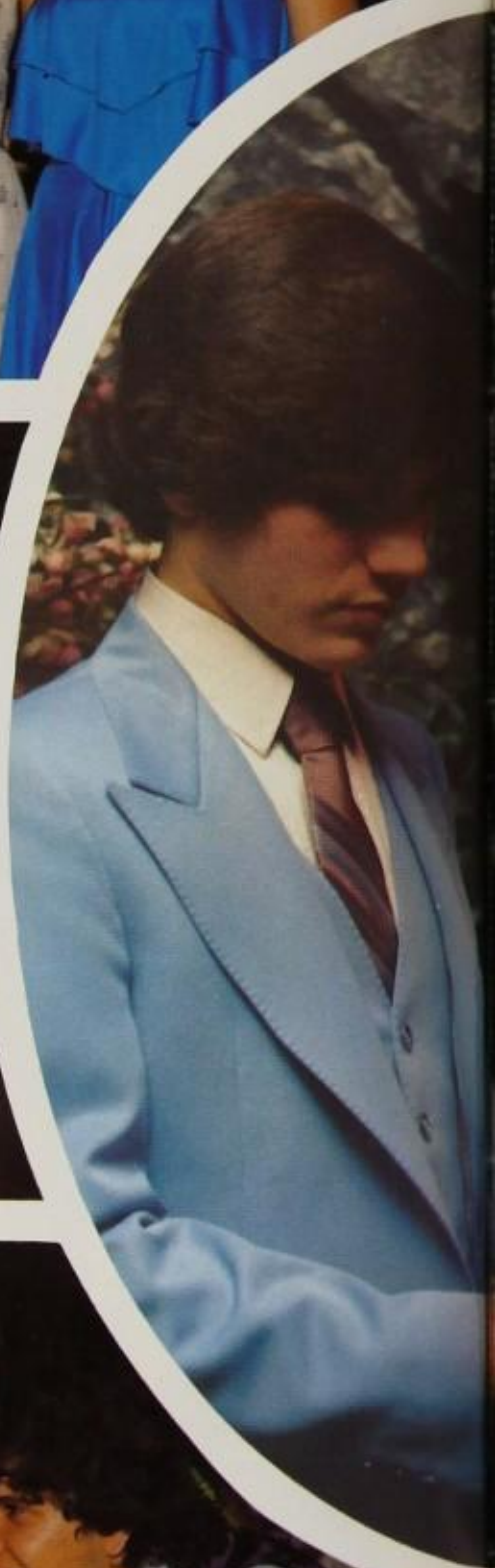

*We start out walking
and learn to run*

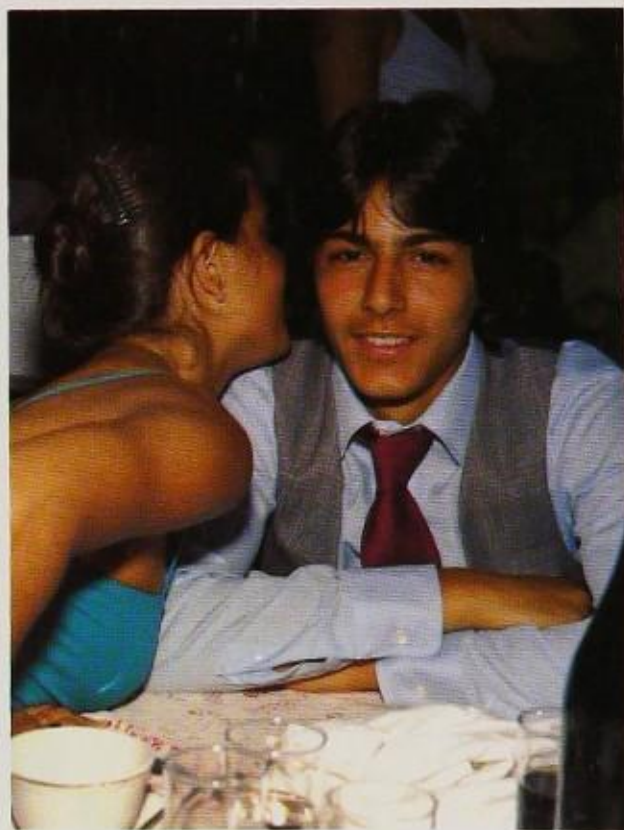

And yes we've just begun

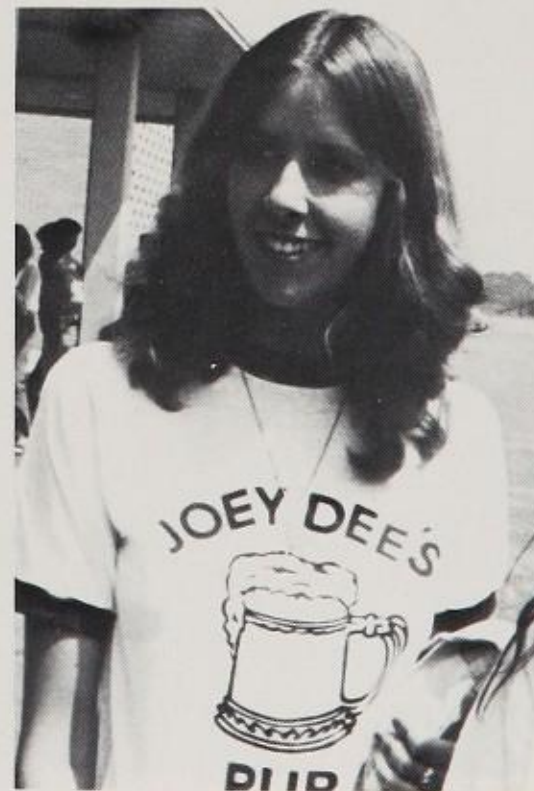

And when the evening

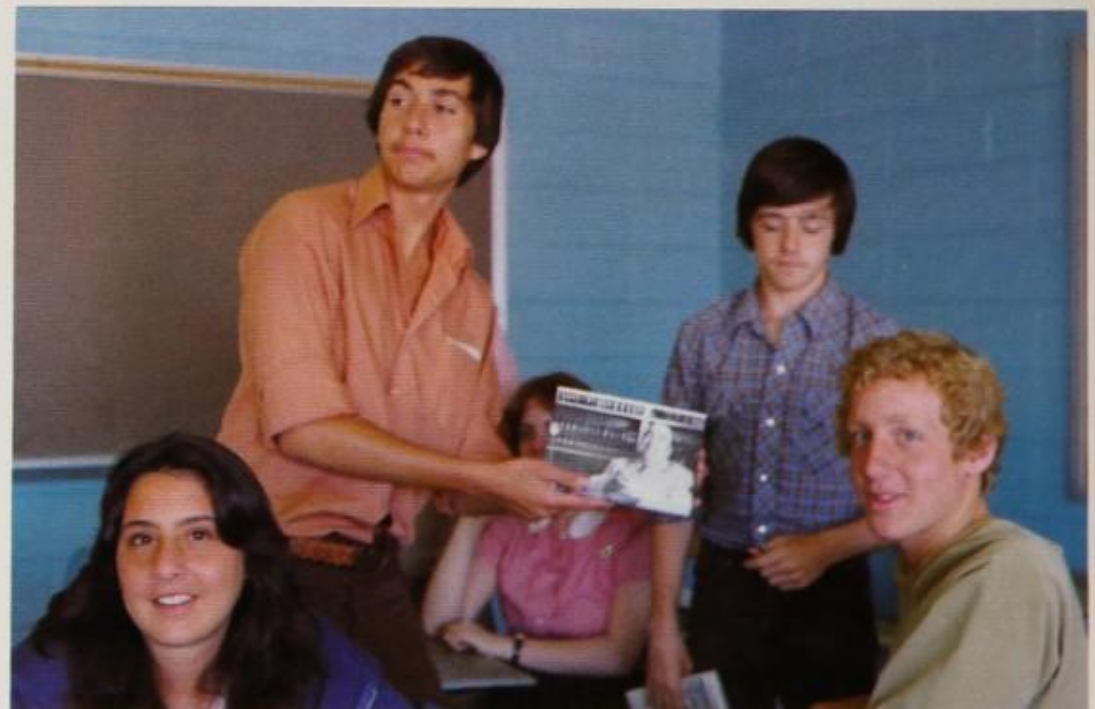

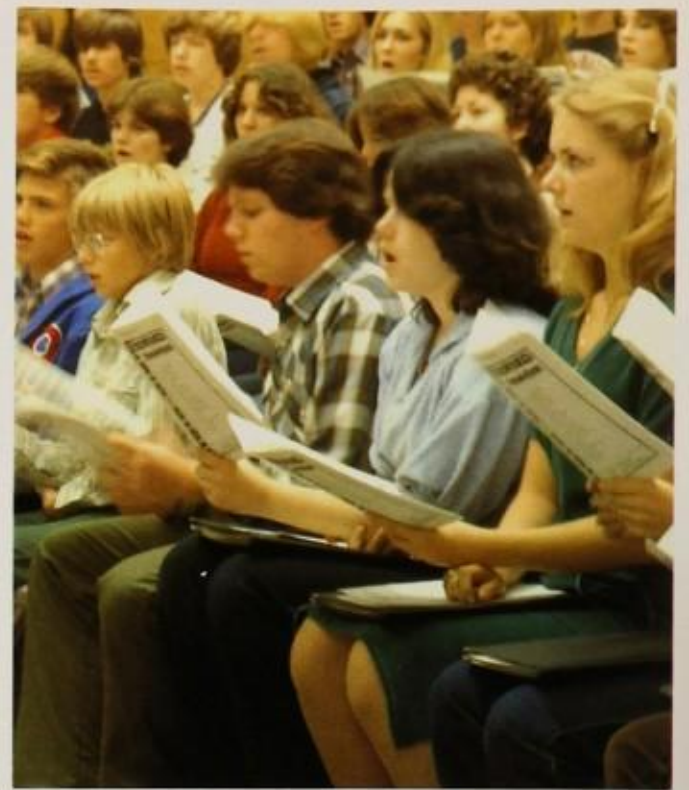

comes we smile ...

So much of life ahead.

*We'll find a place
where there's room to grow*

And yes, we've just begun

*We've only just begun
white lace and promises
a kiss for luck
and we're on our way.*

*Sharing horizons that are new to us,
watching the signs along the way,
talking it over, just the two of us
working together day to day . . . together*

*Before the rising sun
we fly
so many roads to choose
we start out walking and
learn to run.
And yes, we've just begun . . .*

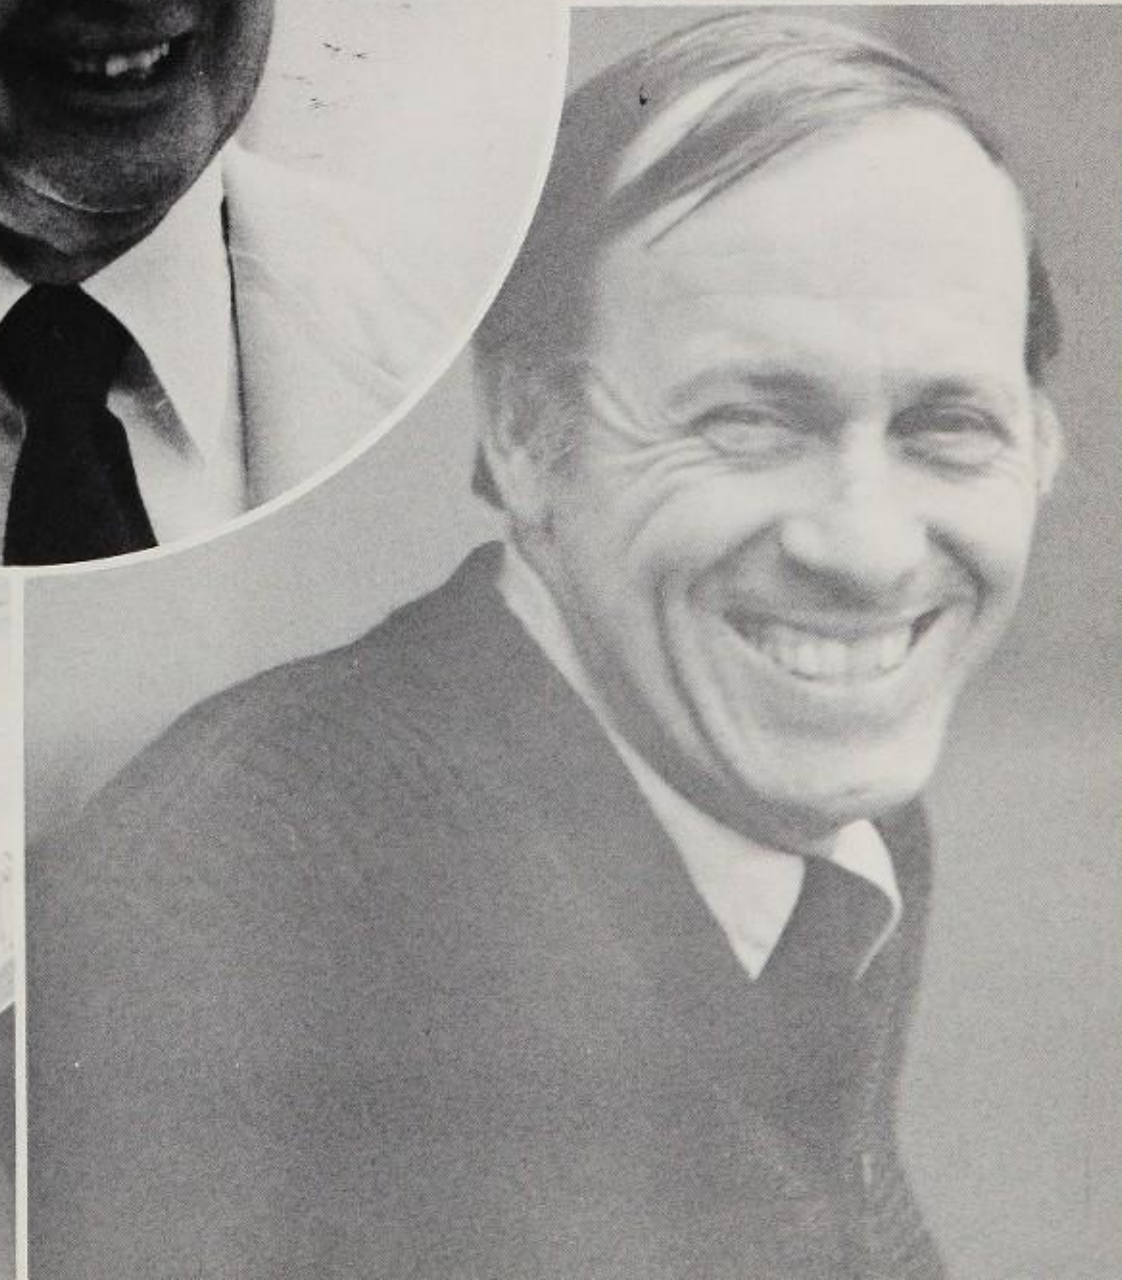

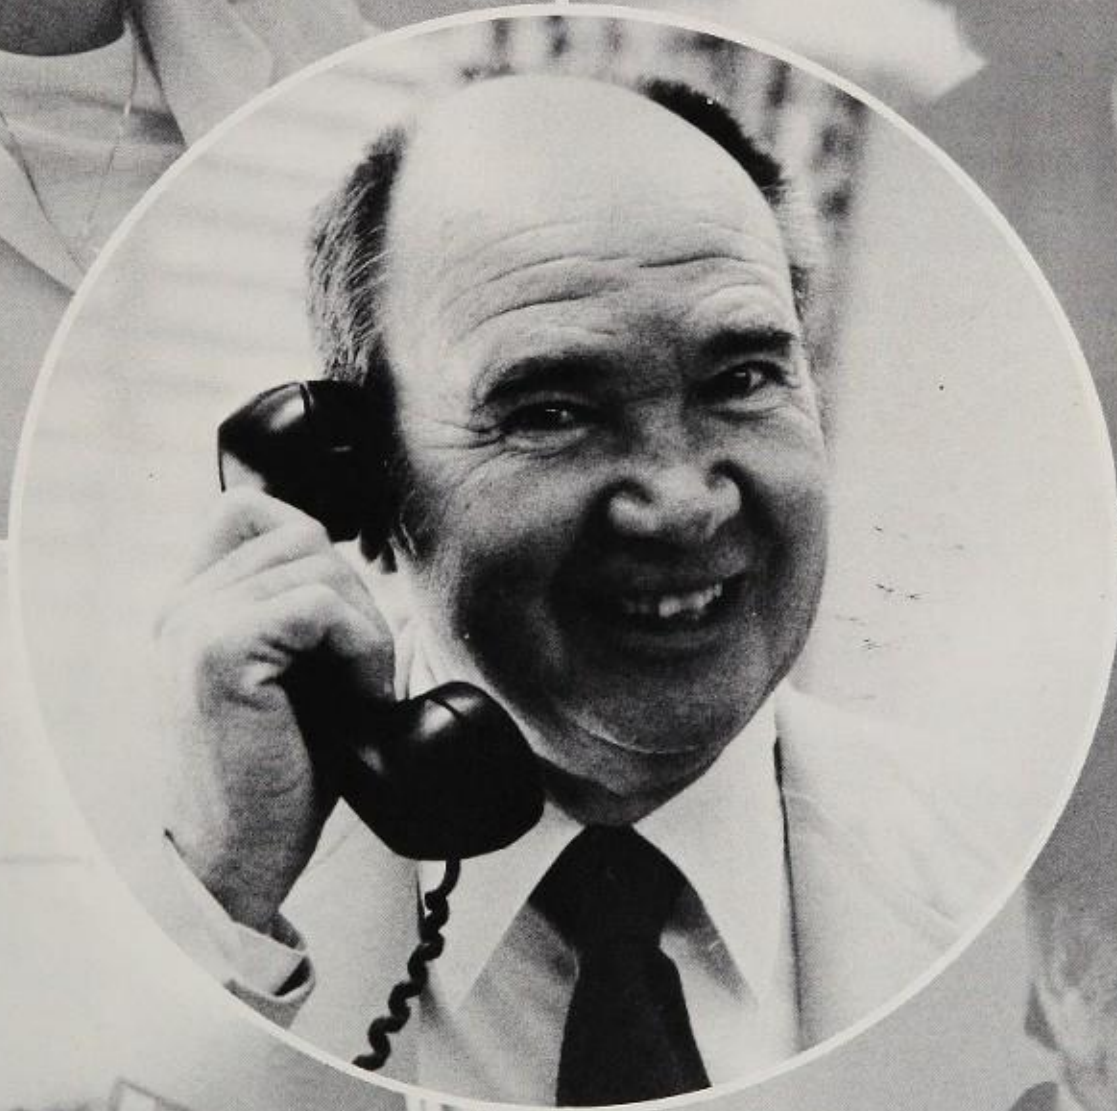

*And when the evening comes, we'll smile
so much of life ahead,
we'll find a place
where there's room to grow.*

And yes, we've just begun . . .

The theme you have chosen for the 1981 Wisanda suggests an awareness of the importance of "Beginnings." The word Commencement, although thought generally to signify the end of an educational endeavor, truly means a Beginning! As you participate in your Commencement in June, keep in mind the advice of the philosopher, "He has accomplished half who has made a beginning; dare to be wise; begin!"

With the 1981 Basketball season almost over, the Mighty Bisons have proved to be one of the strongest teams in their division. With new coach Paul Bosco, Captains Mike Pugliese and John Nolan, and seniors John Buckley, Brian Kruger, Chris Geiger, Larry Young, and Eric Wilenski the season looks promising and could be one of Berner's first championship basketball team's ever.

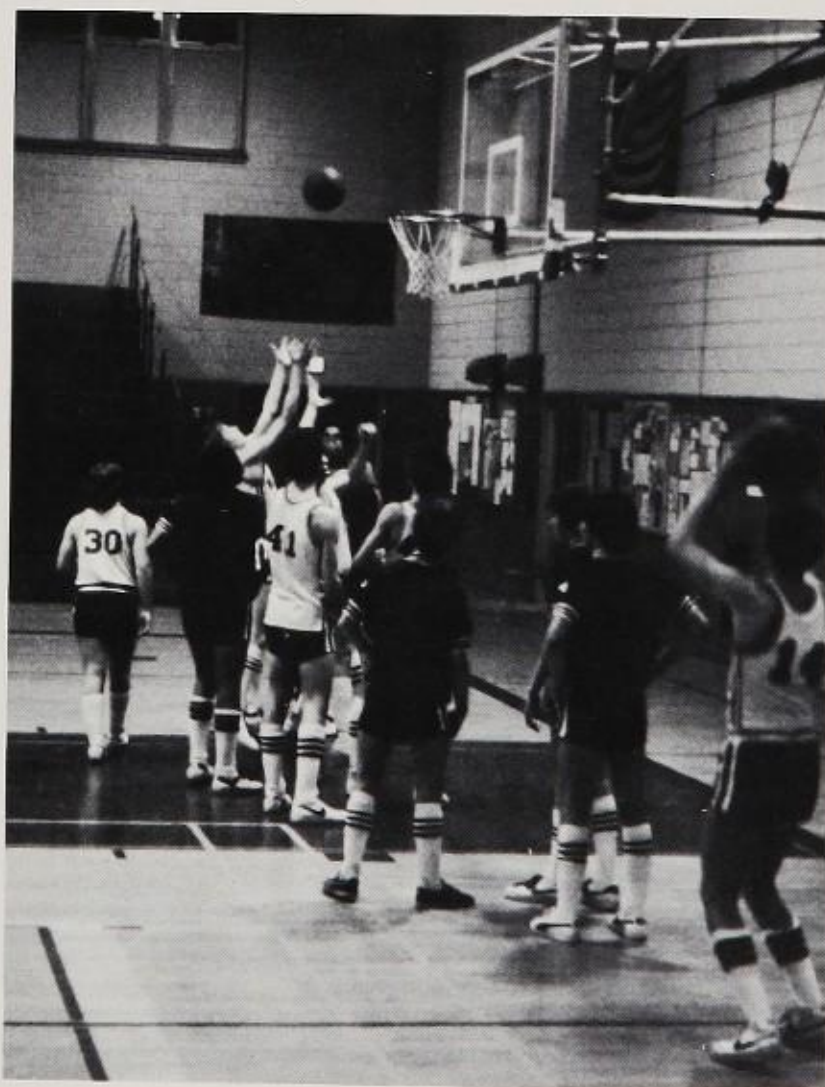

Holding a current second place in their conference, Berner gave first place East Meadow its first loss recently by a score of 59-40. Other games have included 2 easy wins over cross-town rivals Massapequa by scores of 63-38, and 61-57.

Good Luck to the entire team on finishing the season with that first place title. We're all proud to say that "The City Game Rules At Berner!"

It was a difficult season this year for the Bisons. Under a new head coach, Berner had a little trouble adjusting and combined with being in one of the toughest divisions on Long Island, they fell into last place. The team led by captains Al Giamis, John Gallego, and Dan McAuliffe displayed constant effort and undying determination.

The Junior Varsity team, however, proved to be strong, finishing with a 7-1 first place record. Next year looks bright with many of these players moving up to the varsity squad.

So far into this season they have a 10-1 record. With the season more than half over their hopes are bright on again winning the county championship with high scoring players Kevin McCarthy, Nick Burzelino, and Eric Ballman, and a strong defense anchored by Ray Barile and Ed Smith.

CHEERLEADER FOOTBALL GAME

"Do it like this . . ."

Varsity on the Attack.

"Hike?"

"Is it almost over?"

The 1st annual cheerleader football game played between the Varsity and J.V. cheerleaders was a huge success. All the girls played their hearts out as the Varsity defeated the J.V. 10-0. There are hopes that future cheerleaders will continue this game as a new tradition at Berner.

To the Senior Class of '81

This is the end of something each of us began four years ago. When we came to Berner as freshmen, we all had our own dreams about high school — I hope they came true. In the past four years memories have been made which will never be forgotten. Not only will the memories last, but the friendships that began at Berner will live on long after graduation. Berner was a place where each of us have grown. Many of us are very happy about leaving, but there are those who will miss the people that are a part of Berner — teachers, students, and friends. I hope everyone leaves here with good memories.

Goodbye and Good Luck.

Counselor Leaves To Assume New Role

Massann Pianese

Mr. Anderson is leaving Berner to accept a position as Vice Principal at the West Islip School. He has given us the benefit of his knowledge and experience for seventeen years, heading for new levels of ability.

Many students knew Mr. Anderson as Vice Principal, Social Studies teacher, Coach of Home Athletics, Massapequa High School's Coach, and Director of Summer Recreation.

Mr. Anderson attended the University of Maine at Orono. There he received his BA degree in History and Government. He was a Lieutenant in the Army for two years where he served as an instructor of military science. This experience led him to think seriously about teaching. He also attended C.W. Post College and received a Masters Degree in Guidance and Counseling. In addition, he attended New York University and North Adams

has provided me with many rewarding experiences such as helping students plan careers. It is especially rewarding to speak with a student who has returned here having accomplished a goal, due in part, to counseling at Berner. Likewise, it is encouraging to be of some aid to a student who has had difficulties during the early years of high school and then see that student improve."

Among the projects Mr.

resources, and the advice of a guidance counselor. Mr. Anderson, along with our guidance department, is pleased to see so many students using this facility.

Another program, devised and written by Mr. Anderson, along with the help of Mrs. Bitel and Mr. Wernersbach, concerned a tenthgrade career and cultural exposure program. This project, which is federally funded, has thus far resulted in trips to

the balance of this year.

Mr. Anderson points out that he will miss the opportunity of working with students on a one-to-one basis, as well as the professional people he has worked with through the Massapequa. He does hope to keep in contact with us.

During the years that he has known Mr. Anderson, he has been kind and understanding. Those of you who have known him will agree — the loss of Mr. Anderson from Massapequa High School is the gain of a great teacher at West Islip High. Mr. Anderson and his family wish you the best of luck in your new position.

On September 5, 6, & 7, the Berner High School A Cappella Choir performed with the Long Beach Symphony in Mineola, New York. The Symphony was conducted by Mr. Hugo Fiorato, a well-known and respected man in the world of music. The orchestra consisted of the internationally

Democracy. The performances were all very successful. Maestro Fiorato was very pleased with the performance of the choir in a professional situation. On the Chichester Psalms number there was a male alto part sung phenomenally by Stephen Baldwin, a member of the Mixed Chorus.

The choir would like to thank

Lace.

Abby and Martha Brewster, played by Susu Israel and Kathy Ervin, respectively, held the audience captive. The two kind yet bizarre aunties suavely poisoned several gentlemen for the purpose of "ending their lives in their peaceful states." Susu especially charmed us with her wobbly gait and innocent cracks. God bless those two sinisterly

Every year Drama Club members join forces and begin work on their annual productions. In the beginning there is great enthusiasm. As the amount of time and energy required for the task increase, everyone's enthusiasm tends to decrease. But in the end, the members all agree that it's worth it.

The Drama Club strives to put on at least two plays per school year. The club tries to give their audiences a balance of comedy and drama.

This is also an opportunity for the members to learn new things and meet new people. Club members have an opportunity to work on both the acting and technical sides of a production.

The Drama Club's first production of the year was "Arsenic and Old Lace". The play was successful due to the technical crew and the cast. The cast included such talented people as SuSu Israel, Kathy Ervin, Fred Maliszewski, Rob Lloyd, John Beebe, John Tebeau, Laura Savini, Tina Arcery, Natalia deCuba, John Cali, Ed Brennan, Chris Watt, Renee Rizzi, Ben Clark, and Lori Metz.

So many things need to be said, yet there are no words to express the gratitude and appreciation I have for those who have worked in putting this yearbook together. There have been many times when I thought that it would never be accomplished, but when it really mattered, our seniors always came through.

Of course, I would like to thank Mr. Flood, our advisor, without whom all this would not be possible. Our publishing representative, Mr. Gleason, also deserves much praise for this project. The entire staff made the job much more pleasant; their dedication to the yearbook has been tremendous. Last but not least, I would like to express my sincere thanks to my assistant editor, MaryBeth Tarter. My "peace of mind" has remained intact because of her time and time again.

Most of all, I would like to thank the 1981 Graduating Class, without whom, all this would not be possible. It will be really sad to not see the familiar, and not so familiar faces in the halls of good ol' Berner High. Best of luck to everyone in the coming years, and always.

*Sincerely,
Cathy Kraeck
